Sir:

We, Nobuharu Nagaoka, Takayuki Tsuji, Masakazu Saka, and Masahito Watanabe, do hereby depose and state as follows:

1. We are the named inventors of the invention disclosed and claimed in the above-named application, USSN 10/801,413. We are also named inventors of the invention disclosed and claimed in US Patent application serial No. 10/346,517, which was published as US2003/0138133.

2. We are employees of Honda Motor Co., Ltd., a corporation of Tokyo, Japan, which is an affiliate company wholly owned by the assignee of the above-identified patent application.

3. Any invention disclosed but not claimed in the U.S. Patent Patent Application No. US 2003/0138133 to Nagaoka et al. was derived from the undersigned, and is thus not an

invention "by another."

I hereby declare that all statements made herein on my own knowledge are true, and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
